Consistent with FAR 12.211 and 12.212, Commercial Computer Software, Computer Software Documentation, and Technical Data for Commercial Items are licensed to the U.S. Government under vendor's standard commercial license.

Comodo Code Signing Certificate

The code signing certificate for Starteam 17.2 was changed from Verisign to Comodo starting on January 1, 2017.

If you are installing this product on a computer with an older version of Windows, or on a computer without automatic Windows updates, the Comodo root certificate may not automatically be included as a trusted root certificate.

In such cases, we recommend manually configuring Comodo as a trusted root certificate.
